

Collaboration Statement

The assignment was carried out as a group. Following students were part of the group and made individual contributions in completing the assignment.

Aravind Ravi Kiran Kashyap (1001956591)

Shreyas Jagadeep Shete (1001888859)

Priyanka Emani (1001981861)

Contributions:

- The homework was done as a group with equal contributions from all the team members.
- Even after intensive search for 3 distinct suitable datasets for a concerning amount of time of 3 days, we were not able to find distinct relevant datasets and could only manage to acquire one dataset.
